Working title of project:

Starting point / Problem approach

Further possibilities of cooperation

In addition to the School of Business offer also for instance the School of Engineering or the School of Social Work of the University of Applied Sciences and Arts Northwestern Switzerland the opportunity to submit assignments to be completed by students.

Did you know that you can also work together with the University of Applied Sciences and Arts Northwestern Switzerland in Consulting- and Research-Projects?

If interested, please contact::

☎ 0848 821 011
ccc.olgen@fhnw.ch
www.fhnw.ch

We would be glad to inform you and would appreciate the opportunity of working with you.
